AS FOR HOW
I'VE BEEN
SINCE BEING
ALONE...

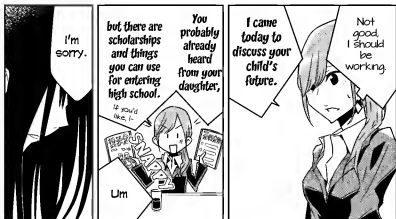

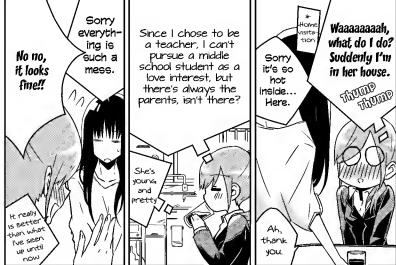

I DEDICATED
MY LIFE TO
TEACHING.

Sorry,
it's just
not
working
out

SINCE
THE DAY
MY GIRL-
FRIEND
DUMPED
ME

I'm her parent,
yet I don't
know what she
wants to do...
I know that
makes me
terrible but-

The father
hasn't been
around for a
long time and
I'm busy with
my night
job...

That's so
amazing!
I couldn't
imagine
myself
doing that.

Even though
you're the
same age as
me, you're
properly
raising a
child.

**That's
not true.**

Although
your
daughter is
way too
energetic...
Ah-ha

As long as
they have
the energy
to do so,
they can
start again.

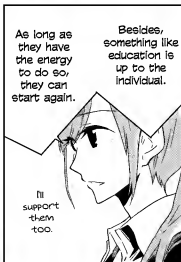

Besides,
something like
education is
up to the
individual.

That's why
you-

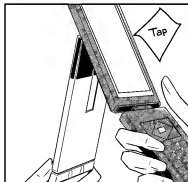

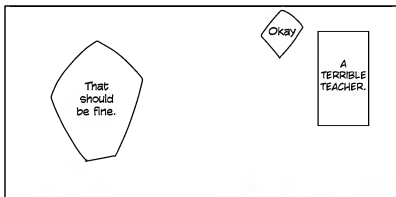

Ah

I'll
support
them
too.

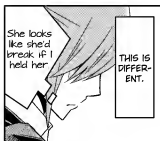

***Translation Note:**

Tanaka does what is known in Japan as "shucchou massage." She is hired by men to meet them at their homes/hotels to give them a massage that ultimately ends in a hand job. Often times websites advertising this will fetishize the type of women they hire, such as "all married women between the ages of 24 and 31." The work isn't technically prostitution, similar to "sensual massages with a happy ending" in Western culture.

We Met at a Cafe After That

■ Teacher x Parent Yuri "Ikenaihito"

A survey I participated in said that this was not a very popular combination (there was a gap of about 600 votes), but thanks to my burning demand for it, this manga was achieved. I think it would be delicious to have the daughter or someone added for a love triangle.

If you have any interest in reading this manga, I would be pleased.

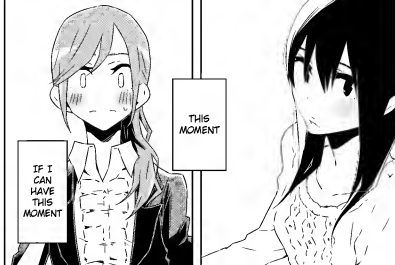

That's the story.

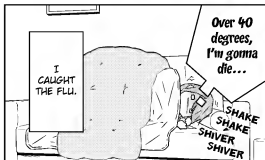

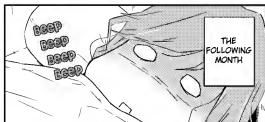

A black and white manga-style illustration. The upper two-thirds of the frame are filled with a sky containing several fluffy, white clouds. The sky is rendered with a fine, stippled texture. In the bottom right corner, the top portion of a modern building is visible. The building has a flat roof and a series of windows with dark frames. A thin vertical line, possibly a chimney or antenna, extends from the roofline. In the bottom left corner, a small, distant building is sketched with simple lines.

EVERY
DAY IS
BUSY.

You should
just go out
with me.

You
should be
with me.

It
would
be nice
if I
could.

I guess
so.

Ah, yes. But I'm still in training for the time being.

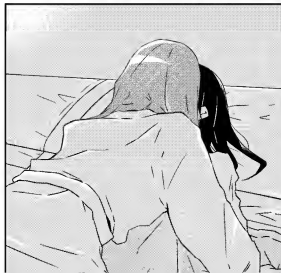

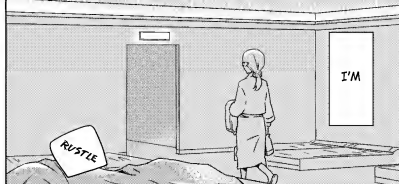

Um...

This is what it means to go out with me.

**Severe
Regret**

She isn't divorced yet either. I'm in an affair with a parent.

DIE I don't want to become that girl's parent

Afterword

Hello! This time I wanted to draw adult yuri...
That is to say, I drew the continuation of the
Teacher x Parent Yuri story that I drew before.

(It's also uploaded to pixiv)

I thought about taking it one step further in
the continuation... and that's what I drew, But...
hm... This isn't like yuri anymore, more like a... les...
bian kind of feeling instead... Is this really yuri?

It's kind of a complicated situation ^^;

I'm personally satisfied with how I drew the
massage and spa stuff. Isn't there something
strange about spas? Women are practically
sleeping naked! Naked!

...Anyways, thank you for reading. Please read my
work again when you get the chance. See you!
